

Emma and the Unwelcome Stranger

Strange things were happening in Lawville. Emma Fielding, a fifteen-year-old girl and a sophomore at Central High, found herself being drawn into the mystery. Meanwhile romance is blooming between Emma and popular senior Jeff Brown, her bus stop buddy. Emma would not have dreamed in a million years that he would be interested in her. With the help of her father, Tom Fielding, manager of a retail store in Lawville, and her best friend, Patti, Emma is trying throughout all of this to cope with the recent death of her mother and sort her feelings about death and love. Emma and the Unwelcome Stranger is a lighthearted book that will leave you both laughing and crying.
