

Genuine Lies

New York Times bestselling author Nora Roberts weaves scandal, celebrity secrets, and murder into an explosive novel of Hollywood almost too wicked not to be true: the story of a legendary actress who knows too much?and the woman shes chosen to reveal it all.Eve Benedict is the kind of subject who could make any biographers career. Last of the movie goddesses, she has two Oscars, four ex-husbands, and a legion of lovers, both famous and infamous. Now she is ready to write a tell-all memoir that has even Hollywoods richest and most powerful worried.Julia Summers never dreamed of being chosen to tell Eves story. But even if it means transplanting herself and her ten-year-old son from their quiet life in Connecticut to the withering limelight of Beverly Hills, its an opportunity too great to pass up. But Julia never imagined how far someone would go to keep Eve Benedicts book from being publisheduntil she discovers just how dark Eves secrets are. And the one man Julia hopes she can trust?Eves stepson, Paul Winthrop?may have the most to gain if his stepmothers story is never toldand if Julias life ends before she can write a word of the truth.
