

Living as Ambassadors of Relationships

Living as Ambassadors of Relationships brings peace and unity to people who have been torn apart by fear, anger, disagreements, hate, loneliness, and a multitude of Satan's torments. Author James Wilson provides the keys to relationship reconciliation between today's torments, including those between: Generations. Genders. Regions. Nations. Political factions. He attempts to solve relationship problems through means other than God's mercy and grace are vain and fruitless. Reconciled relationships are all about gaining full freedom in Christ. All this is from God, who reconciled us to himself through Christ and gave us the ministry of reconciliation: that God was reconciling the world to himself in Christ, not counting men's sins against them. ...We are therefore Christ's ambassadors, ...Be reconciled to God (2 Corinthians 5:18-20).
