

Ms. Taken (The Personal Touch!)

SINGLE FEMAL IN LOVE WITH THE BOSS. PLEASE RETURN FAVOR... This is the ad secretary Jane Dobson secretly wanted to place in The Personal Touch! column. Instead, shy but sexy Charles Warren has her tracking down his old college girlfriend with the goal of proposing. If he figures this is in Janes job description, he is sorely mistaken! Charles is secretly attracted to Jane, but is clueless about her feelings. Until the day she gets conked on the head by a plaster cupid -- and hes there for the fallout! Suddenly Janes now convinced that hes her fiance and they are passionately in love. Worse, she wants to start the honeymoon...early. Of course, shes mistaken. But is this a mistake any red-blooded, loving man would want to correct? The Personal Touch! We take your pleasure personally! Harlequin Temptation #809, December, 2000.
