

Dangerous Season (Harbor Intrigue, Book 1) (Steeple Hill Love Inspired Suspense #47)

As sheriff of his Wisconsin hometown, Keir Harding hoped to finally put his troubled past behind him until a vindictive arsonist threatened the seaside community's summer season. Determined to catch the criminal, Keir enlisted the aid of Audra Blair, a woman close to the two teen suspects. Starting her own business had taken a leap of faith, and Audra was proud of her bustling waterfront cafe. Keir's quiet Christian beliefs and strong presence tempted the single mother to believe in the healing power of love. With the arsonist's sights set on Audra, she might pay the ultimate price for getting involved with Keir.
