

Return To Me

A fragile peace has come to the country in the aftermath of the Civil War, but tensions remain strong in the hearts and souls of those who fought for their land . . . and for love. For the beautiful, strong-willed Cameron Campbell, the war had one shining spot: dashing Captain Jackson Logan. Though separated by duty for nearly four years, Jackson has come home at last. Cameron, however, has a few plans of her own. This headstrong young woman -- whos unwilling to do any mans bidding -- is determined to return to Elmwood, her familys Mississippi plantation, and reclaim her heritage, stolen by the ravages of war. A Union spy and decorated war hero, Jacksons legendary air of command served him well as a leader of men. But now he is forced to reckon with a wife as stubborn and willful as he -- and the unexpected return of a woman from his past who has come to claim his love. While his passion is fierce for his beautiful wife, a dark menace forces him into a last crucial mission for his country, and Jackson knows he must also make a final stand for the woman he loves.
