

After Glow (Ghost Hunters Series)

Dear Listener: Welcome back to my other world - the rules are a little different here. Life is complicated for Lydia Smith. Shes working at that tacky, third-rate museum, Shrimptons House of Ancient Horrors, trying to salvage her career in para-archaeology - and dating the most dangerous man in town. Just when she thinks she might be getting things under control, she stumbles over a dead body and discovers that her lover has a secret past that could get him killed. Just to top it off, theres trouble brewing underground in the eerie, glowing green passageways of the Dead City. Of course, all of these problems pale in comparison to the most pressing issue: Lydia has been invited to the Restoration Ball and she hasnt got a thing to wear. If, like me, you sometimes relish your romantic suspense with a paranormal twist, join me for After Glow. Sincerely, Jayne Ann Krentz, writing as Jayne Castle
