

A Valley Ridge Christmas (Harlequin LP Superromance)

The whole town is in on this Christmas secret! Maeve Buchanan isn't the jealous type. But with another Valley Ridge wedding approaching, she's feeling a twinge of envy. Everyone seems to be finding it except her. Not that romance is high on her priority list! Inspired by the arrival of a homeless family one snowy night, Maeve Valley Ridge's own George Bailey is determined to give them a permanent home by Christmas. To make this surprise happen, fiercely independent Maeve is going to need a lot of help. Particularly from the irritating newcomer Aaron Holder, who thinks Maeve is just too good to be true and suspects her motives. Working together won't be easy. But it'll be worth it in so many ways!
