

Simply Sinful

Book 1 in The Simply Trilogy A New York Times Bestselling Author Detective Kane McDermott might be fighting a bad case of burnout, but that doesn't mean he's taking things easy. His latest assignment is to investigate Kayla Luck, to discover if the etiquette school she runs for awkward businessmen is really some kind of escort service. It looks cut-and-dried . . . until he sets eyes on Kayla. She's smart, but she's also trusting to a fault -- and the heat that flares up between them keeps getting in the way of Kane's best intentions. Available only in Wheeler Hardcover 6.
