

Dangerous Kiss: A Lucky Santangelo Novel

Lucky's back, with a vengeance! The seductively beautiful, street-smart, and powerful Lucky Santangelo, star of four of Jackie Collins's previous international number-one bestsellers -- Chances, Lucky, Lady Boss, and Vendetta: Lucky's Revenge -- returns in Dangerous Kiss. In Chances, Lucky grew up in a top crime family; in Lucky, she was married three times; in Lady Boss, she took on Hollywood and bought Panther Studios; and in Vendetta, she fought off a life-long enemy to keep the studio, and her husband. Now, in Dangerous Kiss, when a member of her family is brutally gunned down in a random car-jacking, her fury knows no bounds. While she is tracking the killer, her relationship with her husband, charismatic writer and director Lennie Golden, is put to the test. Then, suddenly, into her life comes a man from her past -- a man with a dangerous kiss. Dangerous Kiss is a story of raw anger, love, lust, murder, and revenge, and at its white-hot center is Lucky Santangelo, a strong, exciting woman who dares to take chances -- and always wins.
