

The Comeback Kiss

Tessa Scuderis life changed on one night 10 years ago when her best friend, Finn, took off with her beloved VW bug and her heart. It was also the night her mother died while fleeing a fire in her craft shop. Now Finn is back. While he was gone, Tessa has been raising her little sister, Izzy, and worrying that any false move will put her sister into the states hands. So shes not ready to welcome back Finn and his connection to her troublemaking teenage days. Sparks fly though--literally and figuratively. On Finns first day in town, he saves a burning pet shop and shares a passionate kiss with Tessa, and thats only the beginning. Rich, the author of *Maybe Baby* (2005), expertly blends romance and mystery, and this charming coming-home-again tale is a winner. Aleksandra Kostovski -Copyright American Library Association.
