

## The Unmistakable Touch of Grace

In *The Unmistakable Touch of Grace*, New York Times bestselling author Cheryl Richardson takes readers on a spiritual adventure that awakens them to the power of grace. Every event we experience and every person we meet has intentionally been put in our path to help us lead more fulfilling lives, says Cheryl - and once you learn to view your life from this spiritual perspective, the smile you receive from a stranger is no longer a random event, the call you get from an old friend is no longer a surprise, and the failed relationship that left you broken hearted is no longer a source of bitterness and pain. Instead, it's seen as a blessing in disguise, a gift that makes you stronger, more conscious, and ultimately, more alive. In her most personal book to date, Cheryl takes readers on a journey that will open their hearts and minds to the power of grace. Using inspirational stories, provocative experiments, and striking examples from her own life, she helps readers recognize that: There is a power force of energy available to lead you in the right direction. When you surrender and allow grace to lead, the right doors will open. Everything does, in fact, happen for a reason. You are surrounded by spiritual change agents - people who have agreed to take on roles that support your spiritual evolution. Rich with amazing stories of how grace has shaped her life and the lives of others, *The Unmistakable Touch of Grace* gives readers the inspiration and vision to see the hidden miracles that occur in their everyday lives.
