

A Ranchers Dangerous Affair

You still push every one of my buttons. Not long after Eliza Harvey-Reed got married, her husband David's infidelity proved she married the wrong brother. But was Brandon Reed, her old high-school flame, the right one? Now Eliza's back in their hometown of Vengeance, Texas. And when she first lays eyes on Brandon, it's obvious the heat between them is as all-consuming as ever. Brandon is still furious that Eliza married his brother. Even more frustrating is that he can't help being drawn to her like a moth to a flame. But when David is murdered, Eliza tops the suspect list. Now Brandon must help clear her name before the real killer destroys his second chance at true love....
