

Trace Evidence In Tarrant County

Sheriff Carley Matheson had her hands full: A sixteen-year-old unsolved murder and a strong hunch that the killer had resurfaced and struck again. As if things couldnt get any worse, the Texas Rangers had sent Sloan McKinney--the one man shed always tried to keep at a distance-- to spearhead the investigation. Now the only way to keep the citizens of Justice, Texas, safe--and solve two connected crimes--was to join forces. But someone resented Carley and Sloan digging up the past, and before long two of Texass finest found themselves caught in the crosshairs of a murderer.
