

Just Toying Around... (Harlequin Blaze, No 75)

Meg Sugarbaker is living a secret life. By day shes a pastry chef. By night shes the notorious Desiree Moon, acclaimed online sex-toy critic. Which wouldnt be so bad if she had some experience. But shes about to get some - big time. Because when gorgeous Nick Devereau shows up at her door wearing nothing but a towel, all Meg wants to do is play with him...Ultraconservative lawyer Nick Devereau is still wondering how he ended up at a sex-toy convention! He was just trying to straighten out his brother, Ron. Instead, hed been talked into helping Ron expose Desiree Moon - the critic panning Rons products - as a fraud. Only, once Nick sets eyes on Desiree, his plans take a radical turn. Yes, hell still do his best to expose Desiree. But hell be keeping her sexual secrets to himself...
