

# Rewards of Simplicity, The: A Practical and Spiritual Approach

In today's fast-paced and technology-driven times, Christians feel stressed out and overly busy. Many are left longing for simpler days, unaware that these days are within their grasp, made possible by getting rid of spiritual and material clutter.

Respected prophetic leader Chuck D. Pierce and his wife, Pam, remind Christians of the rewards of living simply. Together they weave biblical teaching with practical tips that will help readers answer questions like these: How can I... clear out unnecessary clutter in my home? overcome anxiety? rely on God for my sustenance? get free from too much technology and/or entertainment? preserve a Sabbath rest? free myself from the stronghold of materialism? Sharing their insights to help readers break free of anything that enslaves them, Pam and Chuck empower Christians, both materially and spiritually, to live a clutter-free life.
