

Charlie and the Chocolate Factory

Candy for life and a tour of Willie Wonkas top-secret chocolate factory was the prize for buying a candy bar containing a Golden Ticket. Here is the exciting, hilarious, and moral story of the five prizewinners. They were, alas, repulsive children, with the exception of Charlie Bucket, whose family was so poor he could only have one candy bar a year. Rich in humor, acutely observant, Dahl lets his imagination rip in fairyland.--The New York Times.
