

Outrageous Deception (LIN) (Linford Romance Library)

After a hit-and-run accident, the unconscious victim is identified as Melissa Fielding, but as recovery begins, she feels detached from all around her: her handsome boyfriend; her job in his prestigious wine importing and exporting business; her past, risky lifestyle that is starting to catch up with her - even her name - none of it is familiar to her. As her memory returns, she risks losing all she has gained in order to discover the truth.
