

## House of Cards

A frantic phone call from her estranged sister sends Jesse Pena rushing home to Brownsville, Texas, only to find that Alicia seven months pregnant has vanished. Jesse is convinced her brother-in-law, Marcus Vega, is a killer but getting the police to listen isn't easy, especially when Marcus announces that Jesse and her sister are borderline schizophrenic. Detective Michael Cisneros is reluctant to believe Jesse's allegation. After all, Marcus Vega is a prominent citizen with a tight alibi, and this isn't the first time she's charged him with murder. When Michael is accused of allowing a personal relationship with her to cloud his judgment, he is forced to accept what Jesse cannot--Marcus Vega is innocent. Jesse's refusal to give up will risk more than her life, it will test her sanity as well.
