

Private Dancer

Another scorching erotic romance from national bestselling author Sheri Whitefeather. Its been two years since Jay and Beverly divorced- and Jay still cant get her off his mind. Even more frustrating is that Beverly hasnt given up her job as a stripper at a local club-so close, yet so untouchable, unless Jays willing to pay. Old passions and jealousies lure him to the club. But when Jay pays for a lap dance, it only makes him want her back, and want her bad. Now for Jay and Beverly, its the second time around. But this time, there are going to be a few changes, and what happens between them is that last thing either expected.
