

One Good Friend Deserves Another

HOW MANY OF THESE DATING RULES HAVE YOU BROKEN? 1. Choose Your Own Man 2. Make Sure Your Friends Approve 3. No One-Night Stands 4. Trust Your Instincts 5. Never Make the Same Mistake Twice 6. After a Break-Up, Wait Six Months Before Dating Again. Dhara, Kelly, Marta, and Wendy have been the closest of friends since college. So close, that after a series of romantic disasters, they bond together to create Rules of Relationships to keep their hearts safe. Years later, the rules seem to have worked . . . until Marta discovers that her hot boyfriend is married, Kelly begins a risky love affair, Wendy inches closer to a pre-marital infidelity, and, most shocking of all, Indian-American Dhara suddenly agrees to an arranged marriage. Hearts are about to be broken and the bonds of friendship are tested. Is it possible to find true love, when you're breaking all the rules?
