

PP Bannon Brothers: Trust

A New York Times Bestselling Author -- Cold cases aren't R.J. Bannon's usual line of work. But Ann Montgomery's long-ago abduction is too intriguing to pass up. Especially with a two-million-dollar reward for Ann's safe return about to expire. Ann was just three when she was taken from her family's historic Virginia mansion twenty-five years ago. Bannon knows the chances of finding her now -- alive or dead -- are slim, yet he can't stop searching for answers.
