

Collateral Damage (The Sisterhood: Rules of the Game, Book 4)

Through all their adventures, the bond of the Sisterhood has remained steadfast and unshakeable. But for the first time, the Sisterhood verges on falling apart when the ladies have to choose between two difficult assignments. The first job guarantees a huge paycheck; the second offers a presidential pardon ? and a chance to finally emerge from hiding. For the sake of their union, the gals put aside their differences and focus on a new mission. A mysterious Washington, D.C. political operative needs them to track down a computer hacker who has stolen a highly classified list of fundraisers names. With a presidential election looming, the girls soon realize the job is a lot more dangerous than they had anticipated. Will their client come through with his promise? And can the ladies stop fighting ? and stay alive ? long enough to see it happen?
