

## Naughty Neighbor CD

Louisa Brannigans neighbor is a handsome hell-raiser and hes driving Louisa crazy. He makes terrible coffee, steals her newspaper, and listens through her walls. But when shes fired from her government job, Louisa is persuaded to join his undercover investigation. Sneaking around in the shadows is more fun than she ever imagined, especially when the getaway car is a Porsche. Pete Streeter never figured on finding such an attractive partner in crime. Louisa is all he ever wanted in a woman, and more. But once hes taught her to enjoy living on the edge, will she finally feel safe in his love?
