

Winter Roses (Long, Tall Texans)

Diana Palmer's heroes are compelling, vibrant and utterly impossible to resist, just like her novels! Handsome, eligible ranch owner Stuart York was not one to mince words. Ivy Conley, his younger sister's best friend, found out the hard way. During a night's stay at his Jacobsville ranch, Ivy wound up in Stuart's arms. The resulting fireworks singed them both . . . and knowing she was too young, Stuart closed his heart to her. Now, years later, Ivy is determined not to be treated like a little girl anymore. Although still innocent, Ivy knows she has to fight her own battles, but for some reason Stuart is always fighting them for her, keeping her from harm. And safe in Stuart's arms Ivy feels like a woman . . . a woman who belongs to him.
