

The Tax Protest Love Romp in London: when complaining REALLY pays off. (The St-Jane Sisters) (Volume 1)

The course of true love never did run smooth! A romantic romp through St Pauls during Londons Occupy protest of 2011. Jill St-Jane comes to a crossroads when the dashing Baron Chilcote blasts back into her world during the wildest tax demonstration London has ever witnessed. Artists, protesters, campaigners, politicians, London bankers, Romanian love rivals, tax-specialists, love-in specialists, bishops, spies, and Norwegian businessmen become embroiled in a love-laced web of intrigue. The Tax Protest Love Romp in London shows how when it comes to love, complaining really pays off! This romantic comedy with a twist is the ideal read for anyone who enjoys side-splitting wit and humour, with a generous dash of romance to go with it.
