

The Christmas Cottage

Any couple who spends the night in the Christmas cottage shall have love everlasting... Lacey Quinn did not believe in happily ever after or the legend of the Christmas cottage. As maid of honor for her best friend Ava, her duties included decorating the cottage for the newlyweds. It was a simple enough task, but she hadn't counted on sexy Ean Callahan, the bride-to-be's brother, to be assisting her. Spending the evening ensconced in the overly romantic setting while a blizzard howls outside has Lacey wondering if fairy tales really do come true...
