

Lost in Her (A K2 Team Novel)

Its been a year since Ryan OConnor buried his wife. He was in Afghanistan as a SEAL medic when the call came in that shed been killed during a robbery. In that time, he returned home, nursed his grief, and joined his former brothers-in-arms in the K2 Special Services. After a bad breakup with her ex, Charlene Charlie Morgan finds happiness only when flying the friendly skies?as an aerobatic stunt pilot. But the skies arent so friendly when her plane troubles turn out to be the work of sabotage. Looking to forget their worries, Charlie and Ryan run into each other at a bar. The chemistry is instant and intense. Its only supposed to be a one-night stand. But the memory of their passionate kiss lingers, and when Ryan shows up at Charlies flight school, their romance takes off. Yet the route to love has its own turbulence?secrets, lies, and danger. Can one night lead to something lasting?
