

A Cowboy to Marry

Libby Lowells mind is made up. The only way for the widow to go forward with her life is to leave Laramie, Texas, behind. She should have known rugged rancher Holden McCabe would try to stop her! Her husbands best friend is Libbys fiercest protector. Its not that she doesnt want or need Holdens broad shoulder to cry on. But its time to put away the past. Holden isnt letting Libby get away so easily. He hasnt forgotten how she turned to him in her hour of need and the painful secret she shared. But his idea to push them both into moving on backfires when passion leads to pregnancy something Libbys wanted for so long. Is this their biggest mistake or the second chance theyve both been searching for?
