

A Texas Family Reunion

The Last Barlow? David Buford/Barlow has finally found his long-lost family, but the joy he feels at being reunited with his brother and sisters is complicated by his growing feelings for his cousin Alexandra. Will Alex ever be able to look at David as more than a protector and start thinking of him as a man—even a potential husband? It turns out David doesn't have much to worry about—Alex already knows he's the one for her. The trouble is, they don't have the courage to tell each other their feelings. Luckily, David's new family is there to step in and give these would-be sweethearts some help! But David and Alex aren't the only ones being gently pushed toward the altar!
