

Wild Hunger (Top Author/Sins)

Sins You can never be too rich, or too thin. When Gerard Findlay looked at Keira, he saw a tall, willowy beauty who took his breath away. When Keira looked at herself in the mirror, she saw an unattractive girl who wasn't quite thin enough to deserve her fame as a supermodel. And now Gerard had discovered the secret she had kept hidden from the world. So why did he still pursue her? The closer Gerard got, the more Keira hungered over his love, but instinct told her that her need would never be satisfied. After all, Gerard was a hardened journalist, and seduction could just be the means to a story. Love can conquer the deadliest of Sins.
