

A One - Woman Man (Intrigue)

SHED REPRESSED MEMORIES OF HER PAST Her hometowns annual celebration made the perfect cover for the real reason behind Elizabeth Monettes visit: she wanted to find the truth about her mothers murder. Instead, she found herself trapped between a determined killer and one sexy cop. Elizabeth cursed her decision to hire local lawman Tommy Lee McCall. Yes, the man shed always admired from afar could probably stop a bullet with his bare hands. The question was, could she survive his brand of hands-on attention? Going ten rounds with a killer would be easier than tangling with Tommy Lee. But the enemy was closing in and she needed her hometown heros protection.
