

## The Abbreviated Psalter of the Venerable Bede

The Venerable Bede (673-735), a Benedictine monk celebrated for his Ecclesiastical History of the English People, also compiled one of the oldest and most inspiring of devotional books, the Abbreviated Psalter. Crafted for private prayer and meditation, the Abbreviated Psalter consists of carefully condensed renderings of the Psalms. Bede's ancient book remains as moving and relevant today as it did 1,300 years ago.
