

Preacher (Rapid City Stories)

Jack Preacher Prior is at a crossroads-literally. Left for dead in the Badlands, hes managed to survive. Hes stolen a truck, but where can he go? Body broken, mind reeling from betrayal from his own MC brothers, he knows he wont last a day back in Rapid City in his current condition. Erin Walker is at a crossroads of her own. Dealt a bad hand by being the daughter of Buck Walker, ex-Rodeo Champ, shes made her own way in the world without his help. She owns Thunder Ridge Ranch outright, and shes carved out a piece of paradise for herself with her own two hands. Shes not giving it up without a fight, but shes alone in the world with no one to trust. In Erin, Preacher finds something that doesnt exist in his own world: a smart, fierce, independent woman who sets his blood on fire. For Erin, the mysterious man who threatens her life might very well be the only one who can save it. Contains mature themes.
