

## Shadows from the Past (Thorndike Romance)

When photojournalist Kamaria Trayhern goes undercover at the Mason family ranch, she's hoping to find her real father, not romance. But keeping everyone convinced she is who she claims to be is harder than she expected -- especially where one sexy ranch hand is concerned. But with a jealous killer out to rewrite Mason family history forever, two lonely hearts must learn to trust each other if they hope to survive the season.
