

That Wilder Boy (Kansas Weddings Series #2) (Heartsong Presents #709)

Carrie Mays knows that to whom much is given much is required. That's why she has to figure out what to do with the large inheritance she's about to receive. She doesn't want people to look at her and see dollar signs; she just wants to be loved for being Carrie. But when she is rejected because of her money, she doesn't like that either. She has to surrender to the Lord and allow Him to bring her all that she needs. Rocky Wilder has always dreamed of having money. But now that he is a Christian all he wants is to follow the path the Lord has laid out for him, and it looks like that's becoming a landscaper. But he needs the funds to get his business up and going. Can he find a way to follow the Lord and not hurt people along the way? Has Rocky really changed, or is he still that Wilder boy?
