

Eleventh Hour (FBI Thriller)

When FBI agent Dane Carvers twin brother, Father Michael Joseph, is brutally murdered in his San Francisco church, husband-and-wife agents Lacey Sherlock and Dillon Savich take a personal interest in the investigation. Then Nicola Nick Jones, a homeless woman and the only witness to the shooting, is scared out of her mind because she is trying to hide from her own monsters - who are drawing closer and closer. The chase goes from San Francisco to the Premiere Studios in Los Angeles and its new television hit, a show all about murder.
