

The Hummingbird Wizard

Driving full steam ahead with her life after the unexpected death of her husband, Annie Szabo was not planning on veering off course again. But her late husband's family, an outrageous and proud clan of Gypsies, has other plans. When Annie's oldest friend, Jerry, turns up dead, she is plunged back into the family she tried to leave behind. Suspecting murder, Annie is forced to form an alliance with Madame Mina, her stubborn and powerful mother-in-law, the heart of the Szabo family. Determined to catch Jerry's killer, the two women must unlock the pattern of a tapestry wild with lawyers, criminals, kink, magic, and even more death. One thing is certain--to catch a killer with a hidden agenda, Annie and Mina must use all of their resources: ancient curses, a talent for petty theft, bizarre love magic, a Gypsy PI, and a strong sense of humor.
