

The Hello Girl: The Hello Girl//Ex Marks The Spot

All that standing in the way of the Dunbars divorce is Brian Dunbars unwillingness to sign the papers. And though his wife, Lieutenant Colonel Anne Dunbar, loves him as madly as she did on their wedding day eleven years ago, their differences--intensified by the pressures of career and family--are irreconcilable. Or so she thinks. When a long-lost file lands on Annes desk, she learns some unexpected lessons about love and trust from the remarkable story of a World War I Hello Girl telephone operator. Marie Reynaud fought valiantly for love--a love immortalized in diary entries that transcended war and time. A love inspiring enough to save Annes marriage?
