

Certified Cowboy

After a successful career as a Texas rodeo champ, Johnny Long quit living on the wild side. Now he was devoted to a cause he understood all too well: giving kids a second chance. But when he hires a mysterious woman, Johnny knows trouble has reentered his life. Not only is Rachel Presley beautiful, but the fear in her eyes and in those of her five-year-old son practically breaks his hardened heart. It isn't long before strange accidents put Rachel in serious jeopardy, convincing Johnny her past has caught up with her. Sharing some of his secrets is the only way to get to the bottom of Rachel's even if revealing them could have their own dangerous consequences.
