

Be Buried in the Rain

The past holds terrors... There are secrets buried at Maidenwood--dark secrets that span generations. Medical student Julie Newcomb, who once spent four miserable childhood years at this rundown Virginia plantation, would rather not resurrect ancient memories, or face her own fear. That can't be forgotten Yet Julie cannot refuse her relatives plea that she spend her summer caring for the bedridden--but still malevolent--family patriarch. Reluctantly, Julie agrees, praying that life at Maidenwood will not be as bleak as before. From the first, though, Julie finds Maidenwood a haunted place, not merely echoing with grim reminders, but filled with dark secrets that will become part of her life even today.
