

This Winter Night (Harlequin Kimani Romance)

Tis the season for love! Holing up in her isolated cabin in the Great Smoky Mountains is just what Lauren Gaines needs to get over a nasty divorce. But the blizzard that snows her in brings an unexpected surprise: a hunky stranger who shows up on Christmas Eve. Spending the holidays alone in his North Carolina getaway could be the break high-powered businessman Colton Riley needs from his fast-track life. Until a storm strands him without power and lands him on the doorstep of his knockout next-door neighbor. Instant attraction leads to a night of sweet lovemaking. Little by little, Colton starts earning Lauren's fragile trust. Then life throws him a curve that he never saw coming one that could cost him a future with the Raleigh beauty. Or will the new year be filled with love's sweet promise?
