

Simply Sinful (The Simply Series, Book 1)

New York Times bestselling author Carly Phillips is really heating up the marketplace! Don't miss this sizzling story with a hero to die for and a romance that is Simply Sinful. Detective Kane McDermott might be fighting a bad case of burnout, but that doesn't mean he's taking things easy. His latest assignment is to investigate Kayla Luck, to discover if the etiquette school she runs for awkward businessmen is really some kind of escort service. It looks cut-and-dried . . . Until he sets eyes on Kayla. She's smart, but she's also trusting to a fault -- and the heat that flairs up between them keeps getting in the way of Kane's best intentions. But if Kayla ever suspects his real motives, Kane will be the one who ends up getting burned . . .
