

I Will Not Die an Unlived Life: Reclaiming Purpose and Passion

In I Will Not Die an Unlived Life, one of the most charismatic teachers and thinkers of today speaks from her heart. Twenty years ago, faced with a life-threatening illness, Dawna Markova began a journey of rediscovery. This audiobook follows her path to finding deeper meaning in life. As she points out, people can continue to feel powerless and live habitual lives?or they can make the choice to follow their passion. In a similar way to A Gift from the Sea, the readers of this book are invited to accompany me on a journey to come to know more intimately the value and purpose of their lives. ?Dawna Markova
