

## The Wedding Gift: Finding Joy in the Midst of Death

The Wedding Gift will tug at your heart strings. Prepare to cry, smile, care, & relate. Margaret Hofmann does a wonderful job of articulating & sharing what it was like to balance the extreme emotions of heartbreak & sadness with elation & joy as she watched her mother struggle with cancer & face death just days before Margarets wedding. You will be inspired as Margaret was by the heroic actions of her mother. Dont pass up this touching mother-daughter love story. You may find yourself looking at lifes complexities differently & possibly change the priorities in your life. It is an incredible wedding story, beautiful memoir, & yet a unique kind of self-help book all delicately woven into one nice piece of work. This is a charity book, meaning all proceeds from the sale of this book go into the Pauline Hofmann Education Fund (PHEF) which supports a poor school in an impoverished area of Nairobi, Kenya. This fund is operated by the Comboni Missionaries in Cincinnati, Ohio. The fund supplies, books, paper, writing utensils, school uniforms, shoes & school lunches to the needy children in school. Help us, walk with us in this effort to save lives & educate the poorest of the poor children in Africa!
