

Mr. and Miss Anonymous

College senior Lily Madison is on her own and desperate to pay for her last semester of school. With nowhere to turn, she makes the difficult decision to donate her eggs to a fertility clinic. Peter Kelly is also a penniless student who supplements his tuition money by visiting a sperm bank. One day, Lily and Pete meet at the clinic and talk about their secret. They agree the clinic gives them an odd feeling, as if all is not as it seems. Despite their obvious attraction, Lily and Pete go their separate ways. Nineteen years have passed and Lily often wonders if she has a child somewhere in the world. She also thinks a lot about Pete. Now a wealthy entrepreneur, Pete never forgot Lily either, and when he sees her in an airport one day, he falls for her all over again. But while they enjoy their unlikely reunion, a story on the news has them riveted. Two teenage boys are missing and their disappearance may be linked to the fertility clinic Pete and Lily visited in college. In a shocking twist, one of the boys looks exactly like Pete. Lily and Pete are now determined to find out what really went on at the clinic all those years ago. When the whole story comes out, the truth will be more than they bargained for. But they will discover that letting go of their secrets from the past is the best way to build a future worth fighting for
