

## Immortal Beloved

Nastasya has spent the last century living as a spoiled, drugged-out party girl. She feels nothing and cares for no one. But when she witnesses her best friend, a Dark Immortal, torture a human, she realizes something's got to change. She seeks refuge at a rehab for wayward immortals, where she meets the gorgeous, undeniably sexy Reyn, who seems inexplicably linked to her past. Nastasya finally begins to deal with life, and even feels safe--until the night she learns that someone wants her dead. Cate Tiernan, author of the popular Sweep series, returns with an engaging story of a timeless struggle and inescapable romance, the first book in a stunning new fantasy trilogy.
