

Homecoming at Hickory Ridge (Hickory Ridge Series #5) (Larger Print Love Inspired #453)

A Customer said, This is the fifth and final book in the series. It focused on Bretts brother, Kyle who had been in trouble with the law and was recently out of prison. He got a job setting up a new prison ministry at Hickory Ridge Community Church. Some members didnt like the idea - including his brother! Then theres Charitys half-sister, Julia. She had lost both her parents and was not trying to help Kyle come to terms with his past. This was an okay story. It was pretty slow in places, and I felt so bad for Kyle! I thought Kyle was a pretty strong person to put up with what he put up with - even from his own girlfriend!!!
