

The Shadows of Christmas Past

Love and magic triumph over evil in two sizzling holiday novellas. CHRISTINE FEEHAN Rocky Mountain Miracle When Cole Steele, a womanizer rumored to have killed his father, meets Maia Armstrong, a veterinarian rumored to practice magic, the sparks that fly could melt all the snow on his Wyoming ranch. And when an injured horse brings them together, Cole can't help but believe that Maia casts spells on animals and men. What else could explain the burning passion he feels for her and the thawing of his heart around the holidays? SUSAN SIZEMORE A Touch of Harry When the injured wolf Dr. Marjorie Piper takes back to her kennel turns into a man, Marj is stunned, and keeps his subsequent escape a secret. The only thing more difficult to hide is the burning desire she feels for Harrison Blethyn, a stranger in town who brings out her animal instincts. But when Marj and Harry join forces to find a pack of runaway teens before Christmas, truths are revealed that will bind their souls together forever.
