

Am I Making Myself Clear?: Secrets of the Worlds Greatest Communicators

Lincoln, Churchill, Mother Teresa, Gutenberg-all of these individuals had something in common beyond their passion, determination, and faith: They had a remarkable grasp of the art of communication. Lack of communication is the #1 reason for broken marriages, failed partnerships, and severed relationships. In *Am I Making Myself Clear?* Terry Felber shares ten essential skills that anyone can develop and use to go beyond talking to effective communication. They include: The Art of Unspoken Language, The Art of Valuing Others, The Art of Authenticity, and The Art of Self-Talk. Felber equips readers to master all forms of communication, from participating in a simple conversation to facilitating a business meeting. For anyone interested in self improvement and empowerment, this book is a vital resource.
